Hi Willie,

I hope upon receipt of this message all is well. Willie below is a list of songs Ruben checked off. I know you sent me 5 songs you already have, but can you check off which of the following songs you have arrangements for?

On another note I was explaining to Mrs. Colon that most of the venues are requesting dates in July/August (Gives us more time to prepare) due to the magnitude of the show and larger venues. The one show we have pending is for Puerto Rico on the 3rd of May, Mrs. Colon said the date seemed OK. We are about to lock in the show (I have to get an estimate on all expenses * all-inclusive show*) and I just wanted to confirm the date was open.

Please highlight which tune you have, and the rest I will have transcribed. Thanks agin, Have a great day.

Arturo
